

Name: _____

Maricela and Lucy disagree on the answer for the following problem. Help the girls decide who is correct.

Jessica had 4,532 stickers in her collection. She put the stickers in a sticker book. She put 9 stickers on each page. How many stickers were on the page that was not full?

Maricela thinks the answer is 503, but Lucy says it is 5. Which girl is correct? Explain your answer.
